Thank you for choosing Paint Pinot to host your child's birthday celebration. We are very excited to offer our venue and our amazing team to help make your event a memorable one.

We can host your birthday celebration any time of the week. However, should you wish to have your event at one of our venues privately, we will need a minimum of 15 guests purchasing painting tickets during off peak times or a flat fee of \$900 (GST exclusive)

Included in the ticket price is a 2 hour painting session. This session is divided into 2 x 45 minute painting periods with a 30 minute break to eat in the middle. It is really important that all your guests arrive at least **15 minutes early**. Your little angels will be very keen to begin painting straight away.

We require at least 1 parent for every 4 children to supervise. This parent needs to stay with the children. Please make sure that your children are appropriately dressed - they may get paint on themselves.

Included in the price of the children's ticket is the painting materials, an artist guiding the session and food and drink for each child during the break.

The food we have on offer are selection of fruit platters and a drink of orange/apple juice or iced chocolate.

We can organise a birthday cake at a cost of \$5.00 per person. Please note that this is a 16 slice minimum cake. We will also need at least 48 hours notice to have your cake ready.
